## Sonoma Mountain Chardonnay

---

Our One Sky Chardonnay continues to amaze us with the concentration of fruit juxtaposed with beautiful freshness and opulent aromatics. Sonoma Mountain is an ideal growing area for Chardonnay with warm sunny afternoons and cool pockets of fog hugging the mountainsides through the morning hours. The grapes ripen and develop with a steadiness that we love to watch. The 2016 has an orange blossom nose with bright minerality and toasted oak. The palate is full of juicy, ripe tropical fruit and rolls into a finish that never seems to end. Perfectly balanced with acid and body, this wine shows the remarkable potential of Sonoma Mountain.
