SONOMA MOUNTAIN ONE SKY
Chardonnay

Perched above the fog on Sonoma Mountain, we patiently await the moment when our One Sky Vineyard is ready for harvest each autumn. One of our latest ripening chardonnay vineyards, the unusually high elevation allows the fruit time to develop deep flavors and steadily ripen to perfection. One Sky's secluded location is a haven for local wildlife, including rattle snakes, deer and the occasional mountain lion. 2019 was a cooler growing season, creating a wine bursting forth with lively acidity and luxurious mouthfeel. Aromas of ripe Meyer lemon, hints of honeysuckle on the palate, sunny warmth emanates from the glass and lead to a long, lingering finish.

The 2019 vintage shows nicely on the One Sky and reveals the qualities that make this chardonnay such a crowd-pleaser.

We believe in stewardship of the land, the vineyards, and the people. We are for real connections, real history, real wines; experiences you will never forget. We welcome you to our home, the Adobe, for a historic tasting in Sonoma.
