## ONE SKY VINEYARD

### PINOT NOIR

Our Monopole Vineyards are sites that were selected, designed, and built by us; for us. They were chosen for all aspects of terroir and natural influence and have epitomized the selective and inspired vineyard development processes. The Alana, One Sky, and William James Vineyards are smaller and younger than their Heritage counterparts, but they are equally as mighty. Dedicated solely to Three Sticks production and farmed organically, they have already proven themselves as sites capable of expressive, extraordinary wines.

### VINEYARD

The inaugural vintage from our Monopole Vineyard, One Sky, nestled in the serene Sonoma Mountain AVA, is a testament to the distinctive terroir and dedication to the craftsmanship at Three Sticks. This pinot noir further showcases our commitment to being 100% estate-grown.

### VINTAGE

The 2021 vintage began with a very dry winter making early irrigation in the vineyards necessary to counteract the lack of rain. With cooler weather around budbreak and flowering, we saw a fair amount of fluctuation in the timing and development of the grapes. This led to highly variable yields at harvest, which kept our winegrowing team on their toes. Harvest got underway on the last day of August and continued throughout September at a steady, methodical pace. Overall, the fruit was quite enticing, with medium to full body and particularly impressive tannin structures on the Pinots

### TASTING NOTES

The wine unveils a classic One Sky nose with earth and spice nuances. The palate is greeted by tannins, showing this site's subtle meatiness that provides structure and age-ability. A touch of marshmallow sweetness playfully rounds out the lingering finish.
