Publisher's Pick

"From one of the latest harvests in the Sonoma Coast history, development of flavor had an advantage and this wine is proof. This wine is a blend of the estate's six vineyards including the Heritage Vineyards of the Durell, Gap's Crown, and Walala. The wine is delicate and feathery, with clear cut acid structure that illuminates cherries, pomegranate, and orange peel. Its dimension is notable, a down pillow of creamy blueberry, hibiscus, and mint chocolate chip with a dash of black pepper on the finish." - **MERIDITH MAY**

2022 VINTAGE

WINE ENTHUSIAST

"The nose of this wine evokes black cherry candy, clove-studded orange peel and fried shiitake mushroom. The palate is acid driven with flavors of cherry, blackberry and dry cocoa powder mixing and mingling before a plush, textural finish. Give this wine four to five years in the cellar and it should integrate very nicely." - **TOM CAPO**

Decanter

"This wine is a melange of six of the Three Sticks estate sites. It is ripe and rich in style for the Sonoma Coast. Notes of pine sap buoy the aromatics of blue fruits and rose petals. The palate delivers on concentrated ripe black and blue fruits framed by savoury notes of eucalyptus and pine tar. The 15-20% whole cluster provides a note of Christmas spice to finish."

"This wind tunnel of a vineyard - one of Sonoma Coasts most prestigious sites and a heritage property of the Price family = see abundant fog within its rugged terrain. Cherry and sugar beet burst forth with a juicy flow. The velvety mouthfeel is entrancing, powering notes of chocolate and ripe plum amped by fine acidity" - **MERIDITH MAY**

2021 VINTAGE

WINE ENTHUSIAST
Cellar Selection

"From a great vintage in Sonoma County, this wine ties with the 2017 William James Vineyard as the highest-rated Three Sticks offering. A smoky, toasty top note leads to intense, deep red- and black-cherry flavors in this structured, well-oaked wine. Slightly grippy tannis and nervy acidity add good balance and set the wine up for more improvement with time. Best from 2026-2032." - **JIM GORDON**

2022 GAP'S CROWN VINEYARD CHARDONNAY

A long, complex and mouthwatering finish comes in a framework of beautifully integrated French oak." - **TOM CAPO**
